SELECTED PROJECTS

"A LEG UP" - COCA-COLA REFRESHING FILMS COMMERCIAL

Co-Director, Co-Producer | <https://www.negan.com/alegup>

-Worked closely with a global brand through weekly brainstorm sessions to ensure the commercial's message and branding aligned with client's values

-Acted on feedback for every aspect of the production by contributing appropriate ideas and solutions

-Exercised written and verbal communication skills through consistent crew emails, text messages and virtual meetings

-Oversaw the post-production process, including a collaboration with Company 3 in Atlanta, and social media rollout to ensure we stayed on track for all delivery deadlines

-Managed a cast & crew of over 90 people and effectively communicated with each department head to ensure seamless execution of the pre-pro, production and post-production phases

-Currently playing theatrically at Landmark Cinemas in Canada

"LIVING DEAD" - COMEDY SHORT FILM

Director | <https://www.negan.com/livingdead>

-Extensive pre-production process consisting of detailed character breakdowns, loglines, synopses and beat sheets

-Rotated between all departments to ensure production operated efficiently and creative choices complimented my vision

-Identified prospective talent for the project and reached out to them w/ the script directly

-Selected by SCAD to be submitted via their office to the Student Oscars and numerous film festivals for the 2023/24 festival circuit

MUSIC THROUGH THE DECADES
